Acrylic Painting: A Step

Like most of the books that are step-by-step instruction books, a lot happens between some of those steps. Instead of taking little steps, you have to take giant leaps. This book is not that bad and it does something that I often do with my own painting--suggests that a painting be done first in monochrome. For that reason, I appreciate that the book isn't full of brightly colored paintings. The focus is on learning and applying principles, and the examples are good lessons.

Acrylic Painting: A Step

Acrylic Painting book. Read reviews from world's largest community for readers. The qualities of acrylic paint and its basic techniques are discussed.

Amazon.com: Customer reviews: Acrylic Painting: A Step

Instead of taking little steps, you have to take giant leaps.
