Ancient Roman Food (What Did They Eat?)

What Did They Eat for Dinner The ancient Romans had a very interesting law, in the beginning of the civilization. Many countries today have dietary guidelines, which help people determine how much food is too much.

What Did the Ancient Romans Eat?

However, most couldn't eat like that, and even most rich Romans would have eaten more modestly. Breakfast and Lunch Roman Style For those who could afford it, breakfast (jentaculum), eaten very early, would consist of salted bread, milk, or wine , and perhaps dried fruit, eggs, or cheese.

Ancient Roman Water Systems

That means it's hard to answer all the questions or to say with any confidence that this bit of information about the bathroom habits of the Roman Empire applies to the Republic as well. With that caution, here is some of what we think we know about the water system of ancient Rome.

Four sisters in Ancient Rome

Ray Laurence sketches the domestic life of leisure that these young girls lived, despite little recorded information on women from this otherwise well-documented era. Lesson by Ray Laurence ...

Roman Food

The poor might only eat a simple meal of vegetables and porridge, whereas the rich could enjoy such luxuries as several course meals and exotic food and wine. Wheat was boiled to make the tasteless porridge. To add flavour to the porridge they often added flavourings and relishes as well as vegetables, herbs and a little meat. Rich Romans

Religion in ancient Rome

Religion in ancient Rome includes the ancestral ethnic religion of the city of Rome that the Romans used to define themselves as a people, as well as the religious practices of peoples brought under Roman rule, in so far as they became widely followed in Rome and Italy. The Romans thought of themselves as highly religious, and attributed their success as a world power to their collective piety ...
