New Kenyan Population Policy a Model for Other Countries ...

Kenya's long-term development plan, known as Vision 2030, recognizes that rapid population growth could severely derail progress in reaching its primary goal: To achieve a high quality of life for all Kenyans that is sustainable with available resources. 3 The National Council for Population and Development (NCPD), under the Ministry of Planning, National Development, and Vision 2030, initiated a series of consultations to achieve a population policy that would bolster this vision.

KENYAN CULTURES AND OUR VALUES

KENYAN CULTURES AND OUR VALUES. Simiyu Wandibba . Introduction . Kenya is a multi-ethnic and multi-racial country. As a nation we may talk of a national culture, one that unites us as one nation. In reality, however, the multi-ethnic nature of the country means that we have literally as many cultures as we have ethnic groups. On the other hand, we can say that on account of western education ...
