Evaluation of Chemical Composition for Spirulina platensis ...

The high protein content in Spirulina grown in BG-11 and modified BG-11 was probably due to the occurrence of high level of nitrogen in the medium. In this respect, Piorrecket al. (1984) reported that increasing the nitrogen level in the nutrient medium leads to an increase in the biomass and protein content in Spirulina.

Effects of Spirulina platensis on growth performance of ...

Evaluation of dehydrated spirulina (*Spirulina platensis*) as a protein replacement in swine starter diets. University of Hawaii Research and Extension Series, 056, Honolulu. University of Hawaii Research and Extension Series, 056, Honolulu.

Evaluation of protective efficacy of Spirulina platensis ...

Evaluation of protective efficacy of *Spirulina platensis* against collagen-induced arthritis in rats. *Inflammopharmacology*, 2009. Narendra Kumar . Download with Google Download with Facebook or download with email. Evaluation of protective efficacy of *Spirulina platensis* against collagen-induced arthritis in rats. Download. Evaluation of protective efficacy of *Spirulina platensis* against ...

Effects of diets with increasing levels of Spirulina ...

Conversely, Yap et al. (1982) found that pigs fed high levels of *Spirulina maxima* (14%), as a protein replacement for dried skimmed milk, had similar performance to those fed the control diet containing skimmed milk.

Evaluation of growth performance of Penaeus monodon ...

Hanel, R., Broekman, D., de Graaf, S. and Schnack, D. (2007). Partial replacement of fishmeal by lyophilized powder of the microalgae *Spirulina platensis* in Pacific white shrimp diets. *The Open Marine Biology Journal*, 1: 1–5. Hanley, F. (1991). Effects of feeding supplementary diets containing varying levels of lipid on growth, food conversion, body composition of Nile tilapia, *Oreochromis niloticus* (L.) *Aquaculture*, 93: 323-334.

(PDF) Spirulina Cultivation: A Review

for *Spirulina platensis* growth, protein and . Chlorophyll a content were examined and the dry . weight of *Spirulina platensis* was 0.91g/500ml . and protein and Chlorophyll a content were 64.3% ...

Storage influence on beta

Developed energetic food based on cassava lacks protein, but this can be supplied by adding the biomass of *Spirulina platensis*. Different formulations of this cassava cake were developed varying ...
