## **Gossamer Days: Spiders, Humans and their Threads**

What happens when one making animal meets another? That's the question of my illustrated book on the human uses of spider silk, from gun sights to sticky tunics via acoustic lures, royal underwear and the mystery of the disappearing spider goats, I examine the strange, centuries long entanglement between humans and spiders.

## **Gossamer Days: Spiders, humans and their threads | The ...**

Artist and writer Eleanor Morgan has spent a decade working with spiders and their silk. From gun sights to sticky tunics via acoustic lures, royal underwear and the mystery of the disappearing spider goats, her new book, and the excerpt from it here, examine the strange, centuries-long entanglement between two-legged and spiders.

## **Gossamer Days: Spiders, Humans and Their Threads (Mit ...**

This book journeys through the art, science and culture of spiders and their webs. The many threads of narrative are drawn together with a lightness of touch and great strength of writing which makes this book a joy to read. Thoroughly recommended.
