Old Shanghai's Bund: Rare Images From 19Th Century (Select ...

Presented as a collection for the first time, these rare and early photographs of Shanghai's most famous waterfront offer a unique glimpse into how a marshy embankment turned into the Bund, the city's most recognised landmark. These images bring to life a past not usually seen in old Shanghai photographs, back when the city was nothing more ...

The Shanghai Bund Pictures, TravelChinaGuide.com

It was initially the settlement of the British and American. It was not until the end of 19th and beginning of 20th century that saw the building boom and subsequently the rising of this area as the financial hub.
