Ray Bradbury: The Last Interview and Other Conversations ...

Ray Bradbury is one of my favorite short story authors, and while there is a nice continuity by having the same interviewer in each of these, there just feels like there is something missing and too insider for Ray Bradbury to say anything too new or revolutionary. It's the final victory lap of a strong and hugely influential modern American writer.

Ray Bradbury: The Last Interview » Melville House Books

Ray Bradbury was long the most influential sci-fi writer in the world, the poetic and visionary author of such classics as Fahrenheit 451, The Martian Chronicles, and The Illustrated Man But he also lived a fascinating life outside the parameters of sci-fi, and was a masterful raconteur of his own story, as he reveals in his wide-ranging and in-depth final interview with his acclaimed biographer, Sam Weller.
