## **Practice for the SBAC for 3rd, 4th & 5th Grade**

Prep for the SBAC for 3rd, 4th & 5th grade with our soon-to-come grade-specific practice tests & study guides! Learn about the test & how we can help!

## **Revolution K12**

Test Prep. Test prep is more than just about helping students increase a score. We go beyond teaching simple strategies and techniques, and focus on demonstrating the possibilities when students put in the work necessary to achieve their potential.

## **ISEE vs. SSAT: What You Need to Know About Each Test ...**

Instead of providing an overall score for the test, the ISEE will give you a score for each of the four multiple choice sections. The ISEE does not penalize incorrect answers, so scoring begins with a simple calculation of the raw score (number of questions answered correctly) for each section.

## **Math Resources: Elementary and Middle School: Basic Math ...**

This collection of Math Resources has multiple pages designed for teaching within specific grade bands. You'll also find valuable collections of support and enrichment resources that will benefit all learners.

## **Ms. Asgill's ERWC 2017**

If you are interested in speaking during graduation, please see the information below.

## **Legislature and Government**

UPDATE: Assessment Inventory (PDF) Each year since 2016, the Legislature has required OSPI to collect data and report on the amount of time students spend taking state- and district-level assessments.

## **Our Data Directory | PolicyMap**

View a comprehensive list of PolicyMap's GIS data sources. Our interactive software provides a visual representation of statistics over different geographic areas.

## **Lewis Elementary School / Homepage**

Community Potluck and Conversation is next Monday, May 6th. Please join other Lewis parents in the cafeteria from 6-8pm on Monday, May 6th, for a forward-looking conversation focused on what we love about Lewis, where we see opportunities for change, and what we can commit to as parents within the greater school community.
