Sustainable Development in World Investment Law | Wolters ...

Sustainable development, as defined by the World Commission on Environment and Development, is "development that meets the needs of the present without compromising the ability of future generations to meet their own needs." More specifically,

Sustainable Development Goals and the Law

Developments in World Trade Law (Kluwer, 2005); World Trade Law in Practice (Globe, 2006); Sustainable Development in World Investment Law (Kluwer, 2010) etc.

Sustainable development in world investment law

ed. by Marie-Claire Cordonier Segger; Markus W. Gehring; Andrew Newcombe. Year of publication: 2010

International Investment Law and Sustainable Development

international trade and investment, economic policy, climate change and energy, and management of natural and social capital, as well as the enabling role of communication technologies in these areas.

Foreign investment, law and sustainable development

resources, foreign investment, law and sustainable development. I would like to thank the many legal professionals, development agency staff, government officials, advocates and researchers with whom I have shared (parts of) this path, and from whom I have learned so much that is reflected in this handbook.

INVESTMENT POLICY FRAMEWORK

for Sustainable Development Forum, (organised by the Sustainable Development Solutions Network (SDSN) and Investec Asset Management), the World Trade Organization (WTO) Public Forum and the Biennial Global Conferences of the Society of International Economic Law (SIEL).
