The Case Against Fragrance (2017) | Kate Grenville

Fragrance has plenty of powerful friends. The case for it is made every day. I've written this book to even things up a bit. I'm not out to persuade, just to inform. Using fragrance is a choice – civilized life is perfectly possible without it. But people need information before they can make that choice an informed one. One book isn't going to change the world, but I'm hoping it might do something to start the conversation.

The Case Against Fragrance by Kate Grenville

The Case Against Fragrance is exactly that: a scientific, but highly readable and accessible, account of why fragrance (or scent or perfume) in products may not be as exotic and wonderful Like many of you, I have enjoyed Kate's fiction and stories over the years, and I found this book to be a most interesting departure.

The Case Against Fragrance (Hörbuch Download) | Kate ...

Kate Grenville had always associated perfume with elegance and beauty. Then the headaches started. Like perhaps a quarter of the population, Grenville reacts badly to the artificial fragrances around us: other people's perfumes and all those scented cosmetics, cleaning products and air fresheners.

The Case Against Fragrance Paperback

The Case Against Fragrance is the second non-fiction book by award-winning Australian novelist, Kate Grenville. It came about when she realised it was fragrance that was the cause of her headaches and discovered the dearth of objective information available about sensitivities to fragrance. You may think you don't use very

much fragrance, but you are probably unaware of just how insidiously your fragrance load accumulates.
