## The Remainder Theorem Worksheets

Showing top 8 worksheets in the category - The Remainder Theorem. Some of the worksheets displayed are The remainder theorem, A26 mathematics support centre, The remainder theorem, Remainder and factor theorems work, Remainder theoremfactor theorem work, The remainder theorem and bounds date period, Work polynomials, The factor theorem.

## Worksheet on Remainder Theorem | Find the Remainder ...

Practice the questions given in the worksheet on remainder theorem. 1. Use the Remainder Theorem, find the remainder when  $4x^3 - 3x^2 + 2x - 4$  is divided by  $x + 1$ .

## Applying the Remainder Theorem Worksheets

Quotient Remainders Step-by-step Lesson-Use the remainder theorem to find the remainder of a this polynomial that id divided by two. Guided Lesson - The lesson starts with a whole number divisor. We move on to dividing by binomials.

## Remainder theorem and factor theorem worksheet

About "Remainder theorem and factor theorem worksheet" Remainder theorem and factor theorem worksheet : Worksheet given in this section is much useful to the students who would like to practice problems on

Remainder and Factor theorem.

## Remainder Theorem Worksheets

Remainder Theorem. Showing top 8 worksheets in the category - Remainder Theorem. Some of the worksheets displayed are The remainder theorem, A26 mathematics support centre, Remainder and factor theorems work, The remainder theorem, Remainder theoremfactor theorem work, The remainder theorem and bounds date period, Work polynomials, The factor ...

## Remainder Theorem Worksheet

We have some pictures of Remainder Theorem Worksheet that you could download free of cost. Please click the picture you want to get, you will be required to an unique web page, there you will be presented details from the picture, and also there also you could download and install the picture. We have actually given the download switch.

## Factor And Remainder Theorem

Displaying all worksheets related to - Factor And Remainder Theorem. Worksheets are The remainder theorem, A26 mathematics support centre, Remainder and factor theorems work, Remainder theoremfactor theorem work, The factor theorem, 2 3 the remainder and factor theorems, Work polynomials, The factor theorem. Click on pop-out icon or print icon to worksheet to print or download.

## REMAINDER THEOREM/FACTOR THEOREM WORKSHEET

REMAINDER THEOREM/FACTOR THEOREM WORKSHEET . Remainder Theorem: When a polynomial  $f(x)$  is divided by  $x - a$ , the remainder is  $f(a)$ . Find the remainder when  $2x^3 + 3x^2 - 17x + 30$  is divided by each of the following: (a)  $x - 1$  (b)  $x - 2$  (c)  $x - 3$  (d)  $x + 1$  (e)  $x + 2$  (f)  $x + 3$ . Factor Theorem: If  $x - a$  is substituted into a polynomial for  $x$ , and the remainder is 0, then  $x - a$  is a ...
